

MASTER OF COMMERCE IN PROGRAMME MANAGEMENT (MComPM)

PROSPECTUS

ACADEMIC QUALIFICATIONS OVERVIEW

PURPOSE OF THE MASTER OF COMMERCE DEGREE

The purpose of the Master of Commerce degree is to gain superior knowledge and understanding of leading and managing fourth industrial revolution (Industry 4.0 or 4IR) virtual dynamic learning organisations. Momentous changes are occurring in the Industry 4.0 environment. Virtual dynamic value chain management has become a vibrant and extremely valuable field of study. Moreover, in today's high technology environment, one cannot be a successful leader without having profound project and programme management acumen.

The ability to deal with rapidly changing advancements in technology and international competitive markets of Industry 4.0, is enhanced. Customer expectations, product and service enhancement, collaborative innovation, and organisational forms are aspects most affected by the Industry 4.0 economy. These aspects are comprehensively addressed and researched on the Masters course, and students learn how to best maximize organisational benefits of strategic importance that lead to success.

The Master of Commerce distance learning format and structure allow for flexibility and meet the needs of working professionals with limited time to study. Cranefield College is an ISO-9001-certified leader in private higher education and employs only the best qualified and experienced lecturers who are at the cutting edge of development and research in their fields. This ensures that students enjoy first-class tuition and derive maximum practical benefit from their studies. Successful students receive a solid foundation for more advanced studies and may progress to Cranefield's PhD in Commerce and Administration, which signifies the highest level of academic attainment.

YOU WILL LEARN TO

- Demonstrate with advanced knowledge and skills how to collaboratively lead and programme-manage the cross-functionally shaped value chain of a modern virtual dynamic learning organisation in the quest to optimise its performance in the Industry 4.0 economy.
- Demonstrate advanced knowledge and skills in financial wealth management principles and theories, and effective application of financial strategy to add value to the overall performance of 4IR organisations.
- Demonstrate advanced knowledge and skills in communicating, critiquing and defending creative ideas produced through independent research, while conforming to meeting the theoretical and technical requirements of advanced research.
- Demonstrate command of research design, research methodologies and execution of the research process.

ALL CRANEFIELD QUALIFICATIONS ARE ACCREDITED BY THE COUNCIL OF HIGHER EDUCATION.

OUR APPROACH TO TEACHING AND LEARNING

To furnish you with a solid theoretical and practical background, the academic programmes provide an introduction to basic and major areas of project and programme management. Included in our teaching are traditional and innovative learning approaches.

EMPHASIS IS ON LEARNING INSTEAD OF TEACHING:

- Students should prepare themselves thoroughly by studying the prescribed text and recommended reading material.
- Facilitates internalisation of information.
- Promotes meaningful participation in syndicates.
- Classes take the form of presentation and discussion, rather than conventional lectures.
- Both theoretical understanding and practical skills in application are promoted.
- Emphasis is on hands-on problem solving.

APPLY WHAT YOU LEARN TODAY IN YOUR JOB TOMORROW

In the current economic climate, employers prefer job-relevant education and training for improving the abilities of employees and for providing them with the necessary skills to apply what they learn today in their work context tomorrow. All academic programmes and modules are presented in English.

Note that live inter-active online classes are streamed globally via the Internet. Student syndicate groups meet outside of work hours to discuss their practical case studies. Cranefield's state of the art teaching and learning technologies allow classes, and even syndicate group meetings, to be attended live online via the Internet anywhere in the world. Recordings of classes are available for revision purposes, or where a student is unable to attend a live online session, or resides in a country that falls outside the time line.

ENTRANCE REQUIREMENTS

Cranefield's Postgraduate Diploma in Programme Management. Candidates who hold degrees or diplomas obtained from other recognized academic institutions and have relevant experience, may also apply. All relevant information and documentation, including a detailed curriculum vitae and the applicant's work experience, must be submitted to the Registrar (Academic). Hence, applicants must meet the following criteria:

1. Completion of Cranefield's Postgraduate Diploma in Programme Management, or any NQF Level 8 or higher qualification recognised by the Admissions Committee as being equivalent, is a prerequisite for admission.
2. An 'equivalent qualification' means any NQF level 8 or higher qualification with similar content as Cranefield's Postgraduate Diploma.
3. If certain subjects were not sufficiently covered in the 'equivalent qualification', relevant modules from the Postgraduate Diploma learning programme will have to be undertaken in addition to those of the Master's learning programme.
4. Every case will be evaluated on its own merits.

Submission of Documents:

1. Submit certified copies of your highest academic qualifications.
2. Submit a curriculum vitae, which must reflect all your qualifications and the latest grades received.
3. The Admissions Committee may, however, require you to provide certified copies relating to all courses/programmes attended at any other institution, prior to approving admission to the learning programme involved.

EVERY APPLICATION WILL BE ASSESSED ON ITS OWN MERITS.

Note: When undergraduate courses are still in progress at the time of application, or graduate programmes have not been completed, and are not reported on the certified copies, applicants must provide a 'statement of registration' to the Registrar (Academic).

HOW TO APPLY
